BOULSTON MANOR

Congratulations on your forthcoming marriage...

Welcome to Boulston Manor, if you have just become engaged, congratulations to you. Every bride deserves a dream wedding. Families and friends will be sharing in your happiness and witnessing your vows. So, it should be celebrated to fulfil your ideals and aspirations. Boulston Manor has none of the limitations of a hotel. You can celebrate in the way you want - so, be imaginative. Make it special, different, your own.

A Perfect Pembrokeshire Wedding

Wedding receptions are held in a marquee adjacent to the Manor

Not just a place - Boulston Manor

The Boulston Manor Estate has a significant historical background to the area. It was acquired in the 15th Century by the Picton branch of the once all-powerful Wogan family and remained with the family until the late 18th Century, when the Acklands became 'Lords of the Manor'. The current Manor house looks down across gently sloping parkland onto the Cleddau Estuary

The beautiful tree lined driveway that sweeps its way along the Western Cleddau to Boulston Manor is the first indication that you are leaving the rest of the world behind you and entering a place where peace, tranquility and relaxation are at the top of the agenda.

A warm welcome awaits you and your guests upon arrival and you will be shown to your comfortable room where you can enjoy views of the grounds and rolling countryside.

A place all to yourselves

The unique feature of Boulston Manor is that it is a dedicated venue for your special day. It is a phenomenal space wholly devoted to your event. Exclusive occupancy ensures privacy and the ability to create the exact experience you want for your perfect day. That creates a fantastic group dynamic and a spirit not possible in ordinary hotels.
